CHAIRMAN'S MESSAGE

Our Institution has committed itself to the task of creating highly Competent Technocrats, who can build Enterprises and meet Corporate challenges in the changing environments.

Alhaj K. Moosa
Alhaj K. Moosa
Founder - Chairman

Trust & Group of Institutions

- The Ayanavaram Educational Trust was formed in the year 1980 by our founder - Chairman, Alhaj.K.Moosa, with a Noble Aim of promoting Social and Technical Higher Education. DACE (Dhaanish Ahmed College of Engineering) was established in 2002. It is Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai.
- The Trust runs the following Institutions

Dhaanish Ahmed College of Engineering, Chennai	-	601301.
Dhaanish Ahmed Institute of Technology, Coimbatore	-	641105.
Dhaanish Ahmed Matric. Hr.Sec. School, Chennai	-	600023.
Dhaanish Ahmed Matric. Hr.Sec. School, Chennai	-	600099.

SECRETARY'S MESSAGE

Students from a wide variety of Social, Cultural and Geographical background live and study together at DACE. The strength of DACE is attributed to the Commitment and Determination of the distinguished and Committed Educators and dedicated Students.

M.KADAR SHAH
Secretary

PRINCIPAL'S MESSAGE

The resources available in the institution help our Students to get trained and groomed for facing the Society with Confidence. The Care, Commitment and Support from the Management in all developmental aspects of the institutions have made DACE an ideal choice for most of the aspiring students and parents.

Dr.K.RAJA
Principal

VISION

To establish a World-Class institution that is recognized as a "Centre of Excellence" offering Education and Research in Engineering, Technology and Management with a blend of Social and Moral values to serve the Community with a futuristic perspective.

MISSION

To produce eminent engineers and managers with academic excellence in their chosen fields who would be able to take up the challenges in the modern era and fulfill the expectations of the organization they join with moral values and social ethics.

UG - COURSES

➤ Electronics & Communication Engineering

The Department of ECE insights on promoting the growth of effective, efficient and true Professionals, through adherence of the highest Standards of Academic Integrity, in order to meet the wide ranging, challenging Global Demands for " Electronics and Communication Engineers", in this hi-tech era.

➤ Civil Engineering

Civil Engineering is the oldest branch of Engineering which is growing right from the Stone Age civilization. Civil Engineers develop and maintain a wide variety of physical infrastructure such as bridges, buildings, airports, roads and reuse systems.

➤ Electrical and Electronics Engineering

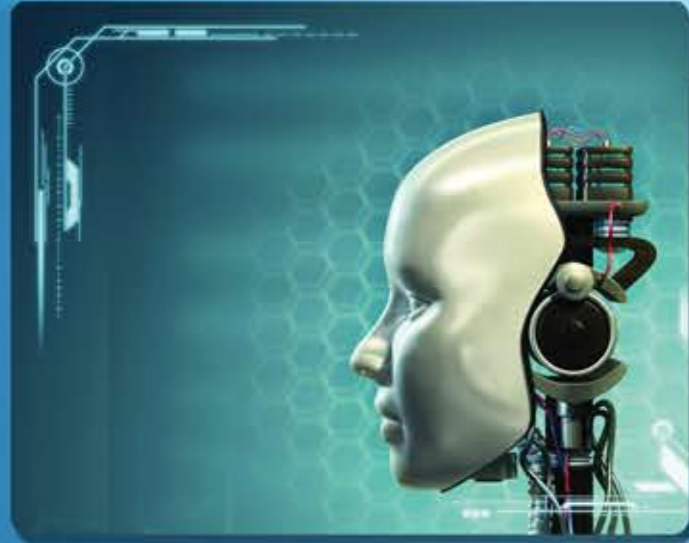

The department is concerned with defining the technologies required for the future needs, such as Power, Energy and instrumentation. The Dept has requisite facilities to provide quality Education to the Student Community.

➤ Mechanical Engineering

The Department of Mechanical Engineering started in the year 2005 comprises of a dedicated, zealous and dexterous team of qualified staff members in the fields of Thermal Engineering, Engineering Design, Manufacturing Technology, Automobile Engineering and Operations Management.

UG - COURSES

➤ Computer Science and Engineering

Computer Science and Engineering graduates are the pillars of the current and emerging information era. Opportunities include pursuing and taking up research assignments in Hardware, Software, Computer Engineering, Multimedia, NetWorking etc.

➤ Petroleum Engineering

Petroleum Engineering is a field concerned with the activities related to the production of hydrocarbons, which can be either crude oil or natural gas. Exploration and Production are deemed to fall within the upstream sector of the oil and gas industries. It is a combination of innovation, exploration and expansion.

PG - COURSES

➤ M.E CSE & AE

ME programme in Computer Science and Engineering (CSE) is a challenging course that has high standards, interesting and stimulating content. The Course M.E Applied Electronics being an inter-disciplinary branch of Engineering, is heading towards development of new & intelligent sensors, smart transducers, MEMS Technology, Blue tooth Technology etc.

➤ M.B.A

Department of MBA was started in the year 2005 with the aim of providing excellence by preparing and grooming professional managers, who could become business captains of the future.
